If you're looking for an easy way you can support conservation in Montana we encourage you to contribute to MCV's Conservation Campaign. This important campaign will help us continue to protect Montana's natural resources and promote conservation in all its forms. Contributions help sustain our efforts throughout the whole year. Recurring gifts help us predict our future revenue, which means we can plan ahead and focus more on making an impact.

1. Why are you an MCV member?
   I am a member because I needed a non-biased and fair voice of reason to help make educated decisions when it comes to voting and critical conservation decisions within the state. It's so easy to feel like you don't have a voice, and it's sometimes overwhelming to try to understand where to start in order to invoke change. MCV provides that educational recommendation.

2. What's your top conservation issue and why?
   Like many other members, my top concern is the current State political structure and local municipalities that are in place and making so many irreversible decisions that cater to large land developers by easing development standards and policies. I am also very concerned with the high number of wildfires that we had this past season and the unacceptable high recommendations.

As an MCV member, you can make a difference in our conservation efforts. Your contributions help us continue to protect Montana's natural resources and promote conservation in all its forms. Contributions help sustain our efforts throughout the whole year. Recurring gifts help us predict our future revenue, which means we can plan ahead and focus more on making an impact.

We invite you to join us on Friday, March 4, 2022, at 6 pm in Helena for our annual MCV Member Celebration. This event is a great opportunity to meet with fellow MCV members and learn more about the work we are doing to protect Montana. We will also be celebrating the achievements of our members and sharing our plans for the upcoming year.

We are sad to report that our wonderful Office Manager is moving on from MCV this week. After three years, Christy McNeish will say goodbye to Team MCV. We thank Christy for her great work and dedication to MCV. We wish you all the best in this new stage of your professional life! We will sure miss you!

Montana Conservation Voters is a 501(c)4 nonprofit organization. Membership dues and contributions are not tax-deductible. Tax-deductible contributions may be made to the MCV Education Fund, a 501(c)3 nonprofit organization.

Member of the Month!

We are proud to feature Greg Houston as our February 2022 Member of the Month. Greg is a dedicated supporter of MCV and has actively participated in our campaigns and events. He is a strong advocate for protecting Montana's natural resources and promoting conservation in all its forms.

Greg is an active member of MCV and has been involved in a variety of our initiatives, including our Conservation Campaign and our Members of the Year Program. He is a frequent attendee at our events and is always willing to lend a hand to support our work.

Congratulations, Greg! You are a great asset to MCV and we appreciate your support.
